- February 12, 2009
 - Regularly scheduled FEC meeting; many concerns expressed regarding General Counsel revisions because many were not mandated by BoG changes to UNC Code; decision to consider only those changes to tenure documents mandated by BoG; special meeting called for to address other revisions.
- February 19, 2009
 - Special session of FEC to further discuss revisions to tenure documents; all BoG mandated changes were approved, but no other revisions; agreed that any additional or subsequent changes would need to go through Faculty Employment Status Committee and Faculty Council, probably in AY 09/10.

 - GA letter to Provost citing six significant issues with tenure policy revisions submitted.
- June 18, 2009

- July 29, 2009
 - Memo from Provost to Faculty Council President requesting faculty consideration of General Counsel revisions to comply with May 15 GA letter citing six remaining issues; Provost indicates in memo that revisions need to be considered/approved by FEC at its

September 10 meeting, then by Board of Trustees at its September 17 meeting, so BoG will have our revised campus document for its meeting on September 18.

- September 10, 2009
 - Faculty Executive Committee approves recent GA-directed changes and agrees documents may move directly to Board of Trustees as changes were minor and do not substantively alter version approved by FEC and Council in spring.
