Re: Five-Year Academic Calendar

Dear Charles:

Enclosed is a copy of the Five-Year Academic Calendar. It is time to submit the 2012-13 academic year to Chancellor Dubois for formal approval. In the Preliminary Approval column, the year 2014-15 has been added.

The basic template used for the academic year was approved by Chancellor Woodward on November 11, 2002, upon recommendation of a campuswide calendar committee and extensive consultation.

I would appreciate the review and comments of the Faculty Executive Committee and Faculty Council before submitting the calendar to the Chancellor.

Sincerely,

Joan F. Lorden
Provost and Vice Chancellor
