

UNIVERSITY OF NORTH CAROLINA
CHARLOTTE

March 22, 2024

Dr. Xiaoxia Newton
Faculty President
UNC Charlotte

Dear Xiaoxia,

In accordance with the faculty policy concerning award of posthumous degrees, I am forwarding a request from The William States Lee College of Engineering to award a posthumous degree:

Name: Yousef Al Hanbali

Degree: B.S. in Computer Engineering (BSCE)

The justification for the awarding of the degree is attached. I endorse this request and ask that it be considered for approval.

Sincerely,

Jennifer Troyer
Provost and Vice Chancellor for Academic Affairs

UNIVERSITY OF NORTH CAROLINA
CHARLOTTE
THE WILLIAM STATES LEE
COLLEGE OF ENGINEERING

TO: Jennifer Troyer, Provost
FROM: Robert Keynton, Dean of the Lee College of Engineering
DATE: March 20, 2024
RE: Recommendation to Award Posthumous Degree

In accordance with faculty policy, undergraduate students with 90 or more earned hours may be recommended by the faculty of the College to receive a posthumous degree. Yousef Al Hanbali, was in good academic standing and had 136 earned hours at the time of his death on March 11, 2024, which represents 98% completion of his degree. He had applied to graduate in Spring 2024.

The department chair, Dr. Asis Nasipuri, has confirmed that the electrical and computer engineering faculty unanimously supported, and I wholeheartedly support, a motion to award a Posthumous Degree to Yousef Al Hanbali. Therefore, I request that Yousef Al Hanbali be posthumously awarded a Bachelor of Science in Computer Engineering (BSCE) effective at the May 2024 commencement.
